December, 2025
A Letter from Pastor Hansen

As many of you know, emails under my name were sent out from fraudulent email accounts on November 17. This is not the first time I have been impersonated, and it will not be the last. I write these annual reminders about text messages or emails impersonating me or others, because we all need to be reminded about how difficult it is to discern whether you and I are getting scammed or not.

Just this past fall, I got an email that looked like it was from the Executive Director of Camp Whitman, Bryan Mueke. It was not. It looked like it. The email certainly did not stand out as a scam. But it was. It wanted me to sign into a fraudulent OneDrive account. I tried multiple times and, thankfully, it did not work. The moment I found out what had happened, I changed my passwords before someone changed my passwords for me. I was lucky.

Part of what happened to the people who got the email “from me” is that the people who were impersonating me set up Gmail accounts that told the recipients of the emails that the email was from me. Scammers do not have to hack into my email account to trick someone, they just have to open an email account and tell it to tell people it is from me. And because we are so used to the vast majority of our emails not lying to us about who sent them, we do not take the extra step to examine the actual email address.

The email supposedly sent to me by Bryan Mueke and the emails supposedly from me to many of you were more sophisticated than the run of the mill, I need you to buy me gift cards scam. They did not ask for money or gift cards. They merely asked us to respond.

So, what do we do? A couple of reminders. First, I will never text you or email you asking for gift cards, iTunes cards, Apple Cards, or Amazon cards. Second, if the email or text uses your full, given name and I have never called you by that name, it is not from me. Third, if I am really going to ask you to do something out of the ordinary, I am probably going to call you and not email or text you. Fourth, and I think that this is the most important tip, take your time and do not feel the need to instantly respond. And lastly, verify. Call the office. Talk it over with someone you trust.

As followers of Christ, we are called to be generous with our time, our skills, our energy, and our resources; and unfortunately, this is what people who target churches and other communities of faith are counting on. Let us not respond by becoming less generous or being less helpful or by becoming cynical. Rather, let us respond by slowing down, taking a breath, and understanding that there is huge difference between someone who is hungry and in need of food and a scam. The first we are called to respond to in love, the second, we are called to ignore, so that we can continue to respond in love to the first.

Warmly in Christ,
Pastor Evan

Children and Youth Ministry December 2025

As we sit back and digest all the wonderful holiday food from Thanksgiving, we can map out what the next month will be like. With Advent upon us, we have an extra service each Wednesday evening and lots of extra activities leading up to Christmas.

It is very important that as many of the children show up each Sunday as possible this month. We will be picking out parts and fitting costumes for our annual Family Christmas Eve service and we will be handing out scripture readings and such for the kids to practice.

Our Harvest dinner was a great success this year and a big thank you goes out to everyone who donated items and volunteered their time. Our hopes of going to Kingdom Bound in 2026 are becoming a reality.

We had a wonderful turnout for the “Hanging of the Greens” and the Christmas shoe box packing for Operation Christmas Child. We started things out with a delicious dish-to-pass luncheon after service. Willets was full of laughter and good food and just a great sense of family and friendship. The church looks lovely with all the Christmas decorations up and the youth were able to pack thirty five boxes for Samaritan's Purse “Operation Christmas Child”.

May this Christmas season be filled with love and many blessings and may we pay it forward to those less fortunate than us. Merry Christmas and a happy and blessed New Year!

Blessings in Christ,
 Deb Stamp
 Dir. of Children and Youth Min.

THE PERFECT GIFT

When Jesus was born among us, he came as a helpless baby destined to bring joy, peace and salvation to his people. This child, God's Word made flesh — fully human and fully God — became one of us. One with us. One among us. In all of our vulnerabilities, struggles and triumphs, Jesus became one of us — leading us, knowing us, connecting us to himself and to each other, and offering us his gift of eternal life.

The perfect gift.

Through the Christmas Joy Offering, we reflect God's perfect gift to us, with generous support of church leaders among us — past, present and future — who have pointed us to God. We honor and celebrate leaders like retired pastors, church workers and their families who have faithfully guided and led us but who now find themselves in critical financial need. We honor and celebrate emerging leaders like students in schools and colleges equipping communities of color, who develop leadership skills as they pursue their education and prepare to bring their gifts in service to the world God loves so much.

Jesus' example as a child born to be among us and lead us to eternal life provides a pattern for us to follow as we celebrate those who have led us in the past and will lead us into the future. Through the Christmas Joy Offering, we come together to support past, present and future leaders, embodying God's perfect gift to us, Jesus Christ.

Weekly Advent Services
will be Wednesdays at 7:00 pm
